

HHEARD, ROBINS, CLOUD, LUBEL & GREENWOOD is the largest plaintiff's trial firm in the city of Houston. Established in 1998, the firm routinely faces off against Fortune 500 companies and has garnered multi-million dollar settlements and awards for its clients that have been reported in the *Wall Street Journal*, *New York Times*, *Fortune Magazine* and *Business Week*. With offices in Houston and Austin, along with offices in New Mexico, the firm has 30 attorneys, including two of this year's Super Lawyers.

BEST IN THEIR FIELD The firm's two Super Lawyers are examples of the quality representation provided by Heard, Robins, Cloud, Lubel & Greenwood.

Denman H. Heard is a nationally acclaimed trial lawyer who is no stranger to high profile, high stakes litigation. Called one "of the country's top trial lawyers" by *Lawyers Weekly USA*, he has tried over 100 Plaintiffs' claims to jury verdict, obtaining over \$200 million in verdicts on behalf of his clients. His work has led to the resolution of hundreds of millions of dollars of claims in a wide array of litigation. Denman is currently involved in some of the most significant commercial litigation in the country. "People need a lawyer who is willing to go down to the courthouse and do battle for them. That's what we do best, and that's why we get superior results." Denman is a member of the American Board of Trial Advocates and is a Director of the Texas Trial Lawyers Association.

Lance H. Lubel has devoted his practice to the representation of victims of personal injuries including toxic torts, products liability, automobile accidents, industrial site accidents and insurance bad faith. He was previously General Counsel to the Pipefitters Local 211 Union. Among his many significant legal accomplishments, Lubel served as lead counsel in the largest reported jury award in the United States for a silicosis case. Says his partner Denman Heard, "Not only is Lance a fine courtroom lawyer, he also is the best lawyer I have seen in terms of developing evidence for trial, by deposition and otherwise. Lance is the bulldog we need to find and present the most effective evidence to the jury." Lance serves as

a consultant to the Federal Multi-District Litigation tort creditors committee for silicosis. He is a frequent speaker at continuing legal education seminars in the areas of occupational disease and discovery in the computer age.

AGGRESSIVE REPRESENTATION The vast resources of the firm, along with its aggressive approach to trying lawsuits, has allowed the firm to gain notoriety and successful results for its clients in a broad range of litigation. The firm represents clients in all aspects of person-

al injury, wrongful death and commercial litigation. This group of veteran trial lawyers has experience in litigation involving the areas of toxic tort, occupational injury, pharmaceutical negligence, medical device failures, contaminated property, medical malpractice, brokerage fraud and business disputes.
